COMPLAINANT

VS

NUMEROUS UTILITIES

RESPONDENTS.

COMES NOW RESPONDENT, SCHLUMBERGERSEMA INC.

("SchlumbergerSema"), responding to the above-captioned Complaint filed with the Arizona Corporation Commission (the "Commission"). In response to said Complaint, SchlumbergerSema does hereby aver and allege as follows:

1. SchlumbergerSema is a Delaware corporation authorized to do business in the State of Arizona.
2. On August 5, 1999, the Arizona Corporation Commission issued SchlumbergerSema (f/k/a Schlumberger Resource Management Services, Inc., f/k/a Schlumberger Industries, Inc.) a Certificate of Convenience and Necessity, No. 61869, authorizing SchlumbergerSema to offer certain metering services in the electric utility market in the State of Arizona.

3. SchlumbergerSema no longer offers any metering services to any customers in the State of Arizona and has not offered any such services in approximately two (2) years.

4. On January 14, 2002, SchlumbergerSema sent a letter to Mr. Patrick Williams, Arizona Corporate Commission, Utilities Division, explaining that SchlumbergerSema had been inactive and had had no business in the State of Arizona for more than one year and did not anticipate doing business in the State of Arizona in the future, due to lack of activity in the market place. SchlumbergerSema further informed Mr. Williams that it did was not aware of any complaints by any customers relating to unauthorized switching.

5. On April 29, 2002, SchlumbergerSema sent a letter to Mr. Patrick Williams of the Arizona Corporation Commission, Utilities Division, informing the Commission that SchlumbergerSema had not done any business in the State of Arizona during the calendar quarter ending on March 31, 2002 and that SchlumbergerSema did not anticipate engaging in any activity or business in the State of Arizona during calendar year 2002.

6. SchlumbergerSema is not aware of and has not received any complaints of any nature whatsoever from any customers during the period of April 15, 2001 and the present.

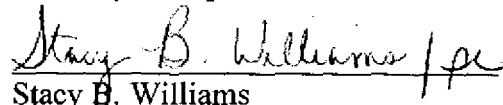

RELIEF

7. SchlumbergerSema hereby requests that the Commission terminate, revoke or withdraw the Certificate of Convenience and Necessity previously awarded to SchlumbergerSema in the area of electric utility meter reading.

8. SchlumbergerSema avers that such withdrawal will not prejudice any customers or other parties because SchlumbergerSema has been inactive and has not done any meter reading business in the State of Arizona for approximately the last two (2) years, nor does it currently intend to do any such business at any time in the future. Accordingly, such termination, revocation or withdrawal will not impact any customers whatsoever.

9. SchlumbergerSema further avers that such withdrawal will not prejudice any customers or other parties because SchlumbergerSema has not: (1) accepted any deposits from any customers; (2) entered into any contracts with any customers; or (3) constructed any facilities in the State of Arizona. Accordingly, such termination, revocation or withdrawal will not impact any customers whatsoever, nor will it result in the abandonment of any facilities.

RESPECTFULLY SUBMITTED this 25th day of September, 2002.

Stacy B. Williams

Corporate Attorney and Assistant Secretary
SchlumbergerSema Inc.
